Ms. Kerry Fullarton

The President,

Calisthenics Association of WA

Midvale, WA

Dear Kerry,

I would like to thank the Board of Management for presenting me with Life Membership to the Calisthenics Assoc of WA. It was one of the most memorable moments of my life.

I feel very honoured to have received this recognition because ever since my first encounter with calisthenics back in 1963 I have always loved my involvement in every capacity and it is great to have friends who have also been involved for that length of time.

It is so rewarding to see the development of our girls from little subbies right through to beautiful young ladies, and then to see these young ladies marry, have daughters and bring them back to the sport they love.

I admire the teamwork and the comradeship of the competitors, and the hard work and creativity of our wonderful coaches. We are lucky to have such dedicated workers behind the scenes and no other activity can rival the grace and deportment of our girls.

Once again, thank you very much for this honour, it will always be held in high esteem by me

Yours Sincerely

Coral Shadgett
